

Connecticut Horticultural Society presents
Gardens of Woodbury, CT

Friday, July 21, 2023

Your Guide for the Day will be: **Nancy DuBrule Clemente**
Author & Founder of Natureworks Horticultural Services

Earth Tones is CT's premier native plant nursery. Straight species of grasses, ferns, perennials, shrubs and trees are grown on the property. We'll enjoy a guided tour of the nursery by co-owner Lisa Turocz and her staff, exploring their wide diversity of late summer and fall native plants. There will be a demonstration of how to save seeds from native plants, sow and grow them. **Note:** It is a rocky & rough terrain - comfortable, sturdy shoes recommended.

Gertrude Jekyll had a profound influence on modern garden design and is widely considered the greatest gardener of the 20th century. Although a small garden, the Gertrude Jekyll Garden includes a classic English style mixed border and foundation plantings, and a planted stone terrace. Nancy will provide a guided tour through this fine example of an English Cottage Garden.

Lunch included at **Marketplace Kitchen** in the heart of Woodbury a modern American restaurant. The charming interior utilized 300 year old barn wood from a local farm. Menu: Choice of Roasted Chicken Breast, Rigatoni Bolognese, Skillet Salmon or Veggie Haystack (Sticky Rice, Asparagus, Beets, Broccoli & Cauliflower), Sides, Dessert, Soda & Coffee...**Entree Choice in Advance**
