

**IMPORTANT!**  
**CHANGE IN IDENTIFICATION REQUIREMENT**  
**FOR AIR TRAVEL WITHIN THE UNITED STATES**

Dear Friendship Tours & The Ship Shop Traveler,

Are you planning to fly within the United States after October 1, 2021?  
Starting October 1, 2021, new requirements for air travel within the United States will go into effect.

Beginning October 1, 2021, ALL passengers will need to present either a REAL ID – VERIFIED Driver's License or a valid US Passport as acceptable identification for air travel within the United States.

A Verified License will have a gold star in the upper right corner.

**LICENSE - MUST BE THE VERIFIED LICENSE...WITH THE STAR!**  
**If you are not a CT resident, please check with your appropriate state.**

**The New Verified License**

(A "star" in upper right corner)

Please see Department of Homeland Security website for more info.

If you don't have a Verified License then a Valid US Passport is required to fly within the United States.

When making a reservation with us, we will need your name exactly as it appears on the document that you will be using to be able to issue your airline ticket to avoid being denied boarding.

We look forward to helping you plan your fabulous tour and/or cruise for 2020 and beyond!

Sincerely,

Friendship Tours & The Ship Shop
